

## Scholarship Application & Award Descriptions

The following is a summary of scholarships available to new and returning Calvary students. To qualify for scholarships, new and transfer students must first apply and be accepted for admission. All scholarships require that a student be enrolled full-time (at least 12 hours undergraduates or at least 9 hours seminary).

Application deadlines are March 1 (early consideration) and April 1 for students entering in the fall semester and November 15 for new and transfer students entering in the spring semester. All new and renewal applicants must complete the FAFSA by the application deadline each year.

In order to make the scholarship program at Calvary a success, all scholarship recipients will be required to perform 5 hours of service for the spring Alumni Phone-a-thon. This requirement must be met each year that the student receives the scholarship. Students only attending in the fall semester will fulfill their requirements for the Phone-a-thon in the fall.

A limited number of scholarships are available and decisions on scholarships are made by the Student Aid Committee, whose deliberations and decisions are not public information. Applicants will be notified of their award status by the Financial Aid office.
